

2016 Apprenticeship Courses

As a business owner, we recognise your reputation is only as good as the people working for you

At North Coast TAFE, we can help your team meet legislative and accreditation requirements as well as build and strengthen skills across leadership, specialist trade, business acumen and digital technology.

All the flexibility and training your business needs

From workshops and seminars to online courses and individually customised programs, your team will receive first-class training from our field experts – at your place or ours!

Delivery Modes

- **Classroom:** Study at one of our state of the art facilities
- **Online:** Study online when it suits you
- **Workbased:** Study on the job in your workplace with support from specialist teaching staff
- **Mixed:** Combination of delivery modes customised to individual training plan needs
- **Region specific:** Delivery mode differs from region to region. Contact us for confirmation or a tailored program.

Flexible payment options

Payment options are simple to arrange. Please contact us to discuss the best method for you or for more information please visit:

www.northcoasttafe.edu.au/get-started/fees-and-financial-assistance.aspx

In addition for information about withdrawing from a course and when a refund may apply please visit:

www.northcoasttafe.edu.au/get-started/fees-and-financial-assistance/withdrawals-and-refunds.aspx

Course Fees

The 2016 prices are applicable to new students commencing their training in 2016. These prices will apply throughout 2016.

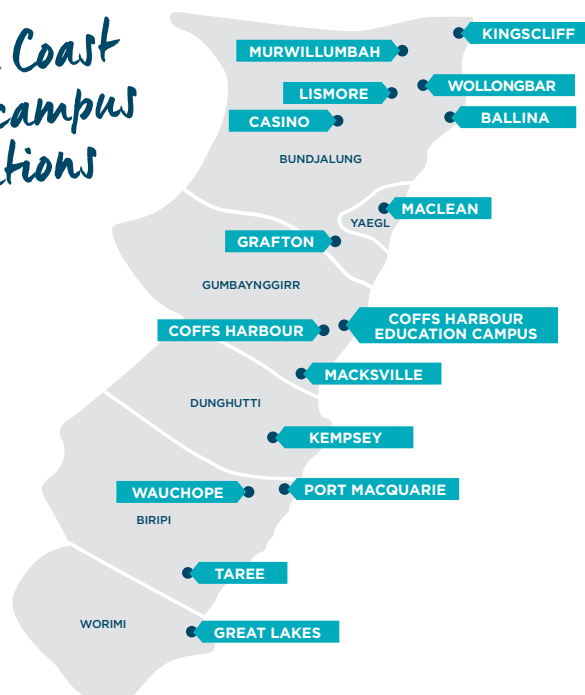

Course Fees are based on the student having zero recognition or credit transfer. If the apprentice/trainee is entitled to Recognition of Prior Learning (RPL) or Credit Transfer (CT) they will need to have a pro rata fee manually calculated.

Apprenticeships - attract a government subsidy, even if the student has a Certificate IV or higher qualification. **In 2016 the course fee is capped at \$2,000 for a subsidised apprenticeship.**

Australian Government incentives are payable to eligible employers, and may be used to offset training costs. Contact your local Australian Apprenticeship Support Network (AASN) for more information about eligibility and application forms.

To find your local AASN please visit: www.australianapprenticeships.gov.au/find-my-aasn/full-list

Meet Ben

“I now have the ability to take my trade with me to anywhere in Australia and to use the skills learned to move into other career pathways which allows for greater employment flexibility.”

Kempsey Campus

*Ben Glen-Holmes
Certificate III in Automotive
Mechanical Technology (Light Vehicle)*

Flexible delivery. Powerful resources. Smart staff. Supportive services

North Coast TAFE strengths and capabilities extend far beyond our wide range of course offerings. Our flexible delivery methods (including online, classroom based, face-to-face, blended delivery and on site) ensure that there’s a study method to suit your business plans. Not to mention that our provision of a host of student services including Counsellors, Disability Support and Aboriginal Support creates a secure, supportive environment to support staff.

Disclaimer:

This guide covers a sample of courses being offered by North Coast TAFE in 2016 with every effort to make sure it was correct at the time of publication.

Prior to enrolment course offerings and commencements are subject to sufficient resources and demand and we may make changes without notice to course details, locations, delivery modes and fees and charges.

The NSW government has made changes to the provision of vocational education and training in NSW through its 'Smart and Skilled' reforms that commenced 1 January 2015. 'Smart and Skilled' provides eligible students with: an entitlement to government-subsidised training up to and including Certificate III (including all apprenticeships and some traineeships); and government funding for higher-level courses (Certificate IV and above) in targeted priority areas, subject to funding availability.

To be eligible for a TAFE NSW government subsidised place Individuals must be: an Australian citizen, permanent resident or humanitarian visa holder, or New Zealand citizen; and aged 15 years or older; and no longer at school; and living or working in NSW. If you already have a Certificate IV or higher you will not be eligible for subsidised training at Certificate III or below, except for apprenticeship or traineeship qualifications.

Some courses are subsidised by the NSW Government. Fees for funded (subsidised) places in a course are set by the NSW Government. If you are eligible, you will only pay a set portion of the cost of training.

Find more information about Smart and Skilled at www.smartandskilled.nsw.gov.au

For the most up-to-date information on course content; attendance modes; fees, concessions, refunds and exemptions; recognition of prior learning and credit transfer options; student support services including literacy and numeracy support and welfare services; student rights and responsibilities; appeals and complaints process and Department of Education and Communities Code of Conduct visit our website www.northcoasttafe.edu.au or phone 1300 NCTAFE (1300 628 233).
