** Pre-requisites apply for entry into TAFE NSW courses
Excellent English language skills are required to complete your chosen TAFE NSW course. For most courses the English language requirement is Academic IELTS 5.5/6.0 or TOEFL (IBT) 46 or STEP Eiken Grade Pre 1 or a TAFE NSW Certificate in Advanced English for Further Study or equivalent. Some courses have higher requirements. If you do not meet the requirements of the course, you can study English as a stand-alone course or as a package with your TAFE NSW course.

**ENGLISH LANGUAGE COURSES**

A TAFE NSW English course will ensure you are well prepared for your studies.

An English language course will:
- improve your reading, writing, speaking and listening skills
- prepare you for your future studies
- increase your employment opportunities

Fees for English courses range from A$250–A$350* per week.

**HOW TO APPLY**

If you want to package an English language course with a TAFE NSW degree, Advanced Diploma, Diploma or Certificate course, complete Section 4A of the application form or apply online. Packaging these courses can result in a reduction in deposit fees.

To study English as a stand-alone course, go to our website where you will find course information and contact details for the six English language centres: studyintafe.edu.au/english.

TAFE NSW has been approved for Streamlined Visa Processing (SVP) by the Department of Immigration and Border Protection (DIBP). Under SVP arrangements, eligible student visa applicants are assessed as a lower immigration risk, regardless of their country of origin. This can reduce the number of documents you are required to submit and shorten the processing time of your student visa application.

WHICH TAFE NSW COURSES ARE ELIGIBLE FOR SVP?

All TAFE NSW Bachelor degree courses are eligible for SVP. To be eligible for SVP, student visa applications must be lodged with an electronic Confirmation of Enrolment (eCoE) from TAFE NSW for a Bachelor degree.

SVP also applies to eligible TAFE NSW Diploma-to-Degree (D2D) pathways. Eligible pathways include one or more TAFE NSW vocational courses and proceed to a Bachelor degree course offered by TAFE NSW or one of our six partner universities. While processes might be slightly different there is no difference between SVP offered by TAFE NSW or one of our partner universities.

HOW DO I APPLY?

Students must complete the TAFE NSW application form and complete a TAFE NSW SVP form. Applicants will be assessed on course entry requirements such as academic requirements, English language, essay or portfolio requirements. Students must also meet TAFE NSW SVP requirements in order to be accepted into the course.

D2D TAFF NSW UNIVERSITY PARTNERS

With over 150 years of educational heritage, Australian Catholic University (ACU) is a publicly funded Australian institution offering students high quality and internationally recognised qualifications.

Our culturally diverse population includes students from over 90 countries, and we are a truly multi-state university with seven campuses in six cities.

We offer more than 115 high-quality, career-relevant undergraduate and postgraduate coursework degrees.

To ensure that students have every opportunity to succeed in their studies, the University provides comprehensive academic and social support services.

ACU’s unique student experience allows our graduates to excel and has led to us being one of Australia’s fastest growing and most affordable universities.

Charles Sturt University (CSU) is one of Australia’s highly respected national universities offering around 400 courses to approximately 38,000 students worldwide.

One of Australia’s largest universities, CSU consistently ranks as having one of the highest graduate employment rates of any Australian university. Our high quality courses are delivered within state-of-the-art learning facilities and include a significant component of work integrated learning, ensuring graduates are skilled to meet industry needs.

Our campuses provide a safe, friendly and genuine Australian cultural and social experience. We offer various types of accommodation, and international students commencing study in session one of each year are guaranteed a room.

Southern Cross University (SCU) celebrated 20 years in 2014 with an expanding presence at its Australian east coast campuses, a growing research profile and the introduction of undergraduate degrees in civil engineering and social welfare.

SCU is a research-intensive university. In the 2012 Excellence in Research for Australia report the university achieved the highest five-star rating in the specific fields of geochemistry, zoology, crop and pasture production and forestry sciences.

Each of the University’s campuses are inspiring places to study, from the rapidly expanding Gold Coast campus near Kirra Beach, to Lismore in the Northern Rivers, Cooffs Harbour on the Mid North Coast, The Hotel School Sydney and a new Sydney branch campus.

The University of Canberra (UC) is a diverse community of 12,500 students, including 2,500 international students from more than 100 countries.

Undergraduate, postgraduate and research degrees are offered by four faculties: Arts and Design; Business, Government and Law; Education, Science, Technology, Engineering and Mathematics; and Health.

Being located in Australia’s national capital provides access to knowledge, skills, internships and networks, and provides a competitive advantage for graduates when joining the workforce.

As a result, UC is once again awarded the maximum five star ratings in the 2014 Good Universities Guide for ‘Getting a Job’ and ‘Positive Graduate Outcomes’, which refers to the graduates’ success in finding jobs.

The University of Western Sydney (UWS) is a research-led university serving a growing and diverse urban region. The University is ranked as one of the world’s top 100 universities under the age of 50 in the influential Times Higher Education rankings.

With over 42,000 students, UWS offers high-quality undergraduate, postgraduate and research programs in a diverse range of areas. UWS has an industry-oriented approach combining academic learning with practical hands-on experience and learning opportunities.

UWS campuses extend throughout the Greater Western Sydney region. Each campus offers a unique learning environment, friendly communal atmosphere and state-of-the-art facilities.

“Universities value TAFE NSW students because of the very solid training that they’ve had. It’s often much easier for them to integrate into university because they’ve had time and a supportive environment to get used to the educational system and to settle into Australia.”

*This pathway is only available for students studying both the Diploma and Degree at Meadowbank Campus – Northern Sydney Institute

“TAFE NSW is the right choice for me. There is more 1-on-1 or 1-to-a-group interaction between the lecturers and the students. TAFE also offers hands-on experiences for the students - after a period of study we are sent out for different experiences in different workplaces. I feel that I have more confidence and I am able to be more independent.”

ESTHER FONG  BACHELOR OF EARLY CHILDHOOD EDUCATION AND CARE (BIRTH-5)
This section provides a broad overview of the course areas covered by TAFE NSW.

The fee ranges indicated reflect course area fees across all TAFE NSW campuses in the Sydney metropolitan and regional areas and includes all qualification levels.

Entry requirements and electives for courses may also vary between TAFE NSW campuses.

To make an informed choice, and to check the course fees at your preferred campus, please visit our website.

Entry to a number of TAFE NSW courses requires completion of lower level courses.

For example, to enter an Advanced Diploma or Diploma course you may need to complete a Certificate 3 or Certificate 4 course, or demonstrate an equivalent skill level.

If a pre-requisite applies, you will receive an offer letter which includes both the lower and higher level course.

"The connections TAFE have with industry are very important because we get to work in real events and see what is happening in the industry."

TAFE NSW INSTITUTES

There are four TAFE NSW Institutes in the Sydney metropolitan area and six TAFE NSW Institutes across regional New South Wales. Each institute has a number of campuses.

International students choose from over 70 of the 130 campuses in Sydney and regional locations. Each TAFE NSW campus has its own range of courses and facilities. Some campuses are Centres of Excellence that specialise in certain types of training.

You can be confident that any campus or institute at which you study is government-owned and operated.

On the following pages you will find short profiles of the ten TAFE NSW Institutes and information about the campuses and regions they cover.

INTERNATIONAL STUDENT COORDINATORS

Your first point of contact on campus will be your International Student Coordinator, who will guide you through your TAFE NSW journey. The coordinator looks after your welfare and will:

- meet you when you arrive at your campus
- organise your orientation program
- answer questions about your studies
- help to solve your problems
- assist in accessing other support services
HUNTER INSTITUTE
hunter.international@tafensw.edu.au

Set among the Hunter and Central Coast regions, Hunter TAFE is one of Australia’s largest vocational education training providers and provides students with a friendly and welcoming community.

Across 15 campuses you will find excellent campus and training facilities including computer labs, music and performance spaces, fitness centres, outdoor horticulture training areas, commercial kitchens, conference centres, multi-faith prayer rooms and free wi-fi hotspots.

Over 1,400 industry experienced teaching staff provide learning environments rich with practical examples and scenario-based learning.

For Hunter TAFE graduates, the Alumni Association offers networking events, professional development workshops, exhibition previews and access to mentoring programs.

The Hunter TAFE English Language Centre, located at Newcastle campus, is an authorised Cambridge English Exam Centre where you can study a variety of English language courses.

ILLAWARRA INSTITUTE
inter.illawarra@tafensw.edu.au

TAFE Illawarra is the largest provider of vocational education and training in southern NSW.

A student city attracting over 60,000 students each year, including 16,000 international students, Wollongong is a vibrant coastal destination boasting 17 patrolled beaches, five national parks and a wonderful offering of cuisine thanks to a cherished multicultural heritage. It is a desirable home-away-from-home and a popular location with international students, being conveniently accessible to Sydney whilst more affordable than its bigger city counterparts.

With strong partnerships with local industry and the University of Wollongong, Illawarra students can benefit from many pathways to either secure employment or undertake further study.

TAFE Illawarra’s 14 campuses offer support to students throughout their studies as well as an inclusive campus-life to include festivals, performances and cultural events drawing upon its diverse student population.
NEW ENGLAND INSTITUTE
neiinternationalinfo@tafensw.edu.au

New England Institute has over 20,000 students studying at 11 campuses spread across the scenic New England region in northern New South Wales.

International students will discover that the New England area has many national parks, reserves and spectacular World Heritage areas, many of them offering camping facilities, bushwalking and many other outdoor recreational activities. With warm to hot summers, and cooler winters, this region is also known as the ‘Big Sky’ country because of its open space and sweeping panoramic views.

The biggest cities in the New England region are Tamworth and Armidale. Tamworth offers a relaxing lifestyle in a rich, agriculturally fertile setting. The city is world famous for its annual Country Music Festival, held every year in January, when the population increases with thousands of visiting country music fans. Located about 110kms from Tamworth, Armidale is a stylish city and the location for the highly respected University of New England.

NORTH COAST INSTITUTE
nci.international@tafensw.edu.au

With an excellent reputation as an innovative education provider, North Coast TAFE is the largest and most comprehensive education and training provider in northern New South Wales with more than 46,000 students enrolling each year.

North Coast TAFE has 17 campus locations which are set among modern country cities and towns, bustling resort complexes and peaceful seaside villages. The campuses in the north range from Kingscliff (15 minutes from the airport on the Gold Coast) and Ballina/Byron Bay through to Coffs Harbour, Port Macquarie and Forster-Tuncurry in the south.

There are more than 105 courses on offer across a wide range of study areas, from aged care, children’s services, information technology and tourism to hospitality, fashion and music.

All courses provide you with industry recognised qualifications, practical skills, a competitive edge in the workplace and pathways to further study at one of our many partner Australian universities.

There are extensive learner support services and excellent facilities to support students in all campuses.
NORTHERN SYDNEY INSTITUTE
issnsit@tafensw.edu.au

Not far from the city centre, and close to some of Sydney’s iconic beaches, The Northern Sydney Institute (NSI) is a leading provider of vocational training and tertiary education in Australia.

NSI has six campuses across Sydney’s prestigious northern suburbs, all on major public transport routes.

International students come from more than 55 countries, including Brazil, China, India, Japan, Korea, Pakistan, United Kingdom and Vietnam to begin their study in Australia.

The institute is a centre of excellence for hospitality, children’s services, health services, information technology and film and television. It is the only TAFE NSW Institute offering the three-year Bachelor of Information Technology (Network Security) which gives you the opportunity to become a member of the Australian Computer Society (ACS).

With over 100 accredited English and vocational programs, and an ever expanding suite of degree programs, NSI offers a complete educational pathway experience.

RIVERINA INSTITUTE
riinternational@tafensw.edu.au

Situated in the Riverina region of south western NSW, Riverina Institute offers its students a rural lifestyle among friendly country people. Students can enjoy a relaxed and healthy lifestyle with no traffic jams, no crowds and cleaner, green communities which still offer the services and facilities available in larger cities.

Living costs are lower in the Riverina than in the major cities, especially for rent and fresh food. The Riverina is also Australia’s largest wine-producing area which can provide opportunities for part-time work.

Small classes with mostly Australian born students will improve your English every day, which is important for those international students who may apply to live and work in Australia in the future.

Campuses include the Primary Industries Centre; the National Environment Centre, a unique 182 hectare certified organic farm; a new state-of-the-art training facility which offers enrolled nursing, aged care work and children’s services; and the multi-award-winning training restaurant “On Course”.

TAFE SWSi is one of Australia’s largest TAFE Institutes and was awarded the Large Training Provider of the Year Award at the 2013 Australian Training Awards.

TAFE SWSi is located in one of Sydney’s most vibrant, culturally diverse and fastest growing areas. The area offers an affordable lifestyle with easy access to big city amenities and a variety of religious, cultural and recreational facilities.

The institute consists of nine campuses and two satellite campuses spread across the south western Sydney region, from Granville in the north to Campbelltown in the south. Each college has its own profile of courses with world-class learning facilities and is conveniently located close to public transport.

A range of specialist centres provide students with state-of-the-art training facilities that focus on excellence in a range of industry areas.

Sydney TAFE’s promise to students is “real skills, endless possibilities”. That means: Sydney TAFE graduates get jobs; Sydney TAFE offers hands-on, practical classes in cutting-edge facilities; and Sydney TAFE students can balance study load with a great lifestyle in the heart of Sydney city!

With 123 years of teaching and training excellence, Sydney TAFE is one of Australia’s oldest TAFE institutes. In 2014, over 2,000 international students chose to be part of a dynamic, lively and world class institution. Sydney TAFE offers a vibrant, university-style campus life alongside 70,000 local Australian students, all providing a cosmopolitan and dynamic learning environment.

Sydney TAFE’s vision is to provide students with the best training and skills development so that they can have many exciting options for a bright and successful future in a way that suits their needs and lifestyle. At Sydney TAFE, international students can achieve qualifications ranging from certificates or diplomas, through to a degree qualification.

Sydney TAFE’s commitment to quality and diversity has been confirmed by winning the International Training Provider of the Year in 2012 and being named as a finalist in 2013.
Western Institute (TAFE Western) services an area covering more than half of New South Wales, taking in the Central West, North Western and Far West regions.

Students at any one of the 24 campuses can access modern training facilities, extensive communications networks and highly-qualified teachers. Support for international students includes careers counselling, tutorial support and extensive library services.

International students will discover a relaxed way of living in a safe, clean and friendly environment, without compromising on access to cultural activities, community services or learning facilities.

The larger centres of Bathurst, Dubbo and Orange have populations of around 40,000 with many of the benefits of city life while smaller towns across the region offer an experience in rural or outback life with different industries and, above all, friendly and welcoming communities.

Western Sydney Institute (WSI) covers a geographic area that includes the three dynamic, growing cities of Parramatta, Blacktown and Penrith through to the world heritage listed Blue Mountains in the west.

WSI has earned an international reputation for providing a collaborative and innovative approach to vocational education.

Three campuses are co-located with the University of Western Sydney, and WSI students are able to utilise the University’s onsite accommodation options.

WSI was awarded the National Industry Collaboration Award in 2013 for its partnership with Racing NSW, the Australian Racing Equine Academy. WSI specialises in Information Technology courses (Microsoft, VMware and CISCO accredited campuses), Hospitality (an exclusive partnership with the Hotel Management Institute and training restaurants), and Engineering.

WSI also offers the four-year Bachelor of Early Childhood Education and Care Degree, which allows students to undertake an internship in the final year of their degree to gain valuable experience for their future career.

TAFE NSW defines a study period as the following:

> English language courses: up to 24 weeks, the study period will be the duration of the course. For courses over 24 weeks the study period will be 10 weeks.

> Vocational (VET) study: 1 standard semester, 18 teaching weeks. For students commencing a course in months other than February or July the study period will be defined in the offer letter. For courses which are 9 months duration, the study period will be defined as 1 term.

> Higher Education study: 1 standard semester, 15 teaching weeks.

A standard Vocational semester consists of 2 terms, with a total of 18 teaching weeks. A standard Higher Education semester consists of 2 terms, with a total of 15 teaching weeks.

All fees in these terms and conditions are shown in Australian Dollars (AUD).

1 REVIEW OF TUITION FEES
TAFE NSW reserves the right to review its fees and charges. If tuition fees are changed you will be required to pay the new fees from the commencement of the next semester. If you defer your course, you will be required to pay the fees applicable at your new commencement date. Fee increases for students who have commenced and re-enrol in the same course or a new course within a package of courses will be limited to a maximum of 10 percent of the original fee.

2 VARIATION OF TUITION FEES

(i) Vocational courses
If you are required to repeat subjects to complete your course of study or granted a variation to your study load due to recognition of prior learning, a pro-rata fee will apply if the number of hours of study is less than 50 percent of a standard semester load. However, if the number of hours of study is equal to or more than 50 percent of a standard semester load, a full semester fee will apply.

(ii) Higher Education courses
If in a semester you are approved to enrol in less than standard semester load, fees will be charged on a per-subject basis. Such approvals will be given only where you obtain recognition of prior learning or are exempted from certain subjects in a semester or where your study load is reduced as part of an academic intervention strategy.

3 TAFE NSW VOCATIONAL, HIGHER EDUCATION AND PACKAGED PROGRAMS

I. Payment of fees
> New students must pay the registration fee, English language tuition fee (if applicable), Overseas Health Cover (OSHC) for the length of the visa, and the course tuition fees by the due date stated in the letter of offer. This must be paid prior to the start of the course.

> If a TAFE NSW Diploma is packaged with a TAFE NSW vocational Advanced Diploma or Higher Education course then students will be required to pay a non-refundable course fee of $4,500. This fee will be used towards the Advanced Diploma or Higher Education component of their package.

> The following table shows the payment arrangements for new students for Vocational or Higher Education courses or packages of English language, Vocational and/or Higher Education courses.

* 50 percent of tuition fees will be charged for courses less than 12 months duration and more than 6 months duration.
**TERMS AND CONDITIONS**

> When you pay fees for a packaged English language and Higher Education and/or vocational course with TAFE NSW, the fees for the English Language component are charged at the package (discounted) fee rate per week. If you withdraw from the TAFE course, then the undiscounted English language fee applies. Tuition fees for Higher Education and vocational packages are payable within 4 weeks of receipt of an offer to study at a TAFE NSW Institute. If you apply within 4 weeks of the course commencement date, the fees are payable within 7 days of receipt of the offer letter.

> Continuing English language students (with offers of more than 24 weeks) may apply for a packaged English language and Higher Education and/or vocational course, where the English language fee has been charged at the discounted (fee rate per week). Withdrawal from the Higher Education and/or vocational course will incur the charge for the stand alone English course. The difference between the relevant fee and the lower packaged fee for English will be deducted from the refundable Higher Education and/or vocational course tuition fees.

> TAFE NSW will refund 80 percent of the tuition fees paid if you withdraw from your Higher Education and/or vocational course within the final 4 weeks (28 days) before the course semester commencement, except where you have applied for a packaged English language and Higher Education and/or vocational course, where the English language fees have been charged at the discounted (fee rate per week). Withdrawal from the Higher Education and/or vocational course will incur the charge for the stand alone English course. The difference between the relevant fee and the lower packaged fee for English will be deducted from the refundable Higher Education and/or vocational course tuition fees.

> TAFE NSW will refund 75 percent of the tuition fees paid for a vocational course where you:

(a) Receive an offer for an undergraduate course which is not offered by TAFE NSW Higher Education in an Australian university immediately following the completion of the NSW Higher School Certificate; and

(b) Withdraw from the course no later than 14 days after the start date to take up your place in a higher education degree course.

> TAFE NSW will refund pro-rata tuition of the vocational course fees paid from the date of becoming an Australian permanent resident, minus a $300 processing fee if you have been granted permanent residency after your application and before or during a TAFE NSW course.

> TAFE NSW will refund pro-rata tuition of the vocational course fees paid from the date of becoming a temporary resident, minus a $300 processing fee and minus any temporary resident tuition fees if you have been granted temporary residency after your application and before or during a TAFE NSW course.

> TAFE NSW will refund 50 percent of the tuition fee paid for a Higher Education course if you withdraw from the course on or after the commencement date but before the relevant census date.

> TAFE NSW will refund 100 percent of tuition fees paid of the Higher Education course, less the $300 processing fee, if you become a permanent resident on or before the relevant census date. TAFE NSW will not refund any tuition fees paid of the Higher Education course if you become a permanent resident after the relevant census date.

> TAFE NSW will refund pro-rata tuition fees paid of the Higher Education course from the date of becoming a temporary resident, minus a $300 processing fee, if you have been granted temporary residency after your application and before or during a TAFE NSW course on or before the relevant census date. TAFE NSW will refund tuition fees paid for the Higher Education course if you become a temporary resident after the relevant census date.

**IV. Refund Procedures**

> You must complete a TAFE NSW Refund Application Form and attach all supporting documents. The Refund Application Form is available for download from www.highered.tafensw.edu.au.

> Your refund will be processed within 4 weeks of receipt of your completed refund application if all the required documents are provided. Should TAFE NSW withdraw a location/course the student has enrolled in, the refund will be processed within 2 weeks. A written statement will be provided to the student to explain how the refund is calculated.

**V. Deferrals**

> In a package offer if you do not reach the level of English specified in the letter of offer for the vocational/Higher Education course, you may defer commencement of your Higher Education and/or vocational course until the next available intake for that course. However, if you withdraw from the Higher Education course from the date of becoming a temporary resident, minus a $300 processing fee, if you have been granted temporary residency after your application and before or during a TAFE NSW course on or before the relevant census date. TAFE NSW will refund tuition fees paid for the vocational course minus a $300 processing fee. Only when the balance of the first semesters Higher Education tuition fees have been paid would the refund policy apply minus a $300 processing fee.

> If you obtain a deferral of the Higher Education and/or vocational component of your combined packaged course and fail to enroll on the deferred start date the following will apply:

- If you requested a deferral 4 weeks (28 days) or more before the original course start date then 50 percent of the tuition fees paid will be refunded.

- If you requested a deferral within the final 4 weeks (28 days) before the original course start date then 80 percent of the tuition fees paid will be refunded.
If you obtain a suspension to your enrolment after the commencement of the semester, a pro-rata transfer of the remainder of the current semester’s tuition fee may be granted. The fee transferred, if any, will be held towards tuition for the semester that you are returning to as an international student. You will be required to pay any balance prior to resuming the studies. If you decide not to recommence studies, or you recommence the course as a temporary or permanent resident, no refund of the fees transferred will be made.

8 PROVIDER DEFAULT

If TAFE NSW is unable to deliver the accepted course at the agreed location, you will be offered a refund of the unused portion of the prepaid fees. The refund will be paid to you within 2 weeks from the day you are advised of the course cancellation. Alternatively, you may be offered enrolment in another course/location by TAFE NSW.

If an alternative course/location is offered, you have the right to choose whether you would prefer a refund of the unused course fees paid or to accept the place in the new course/location. If you choose to accept the new course/location, TAFE NSW will ask you to sign the acceptance of offer for the new course/location. In this case, the obligations of TAFE NSW would be discharged.

6 OVERSEAS STUDENTS HEALTH COVER (OSHCH)

All international students are required to pay the visa length OSHC for themselves and all dependent members of their family staying with them in Australia.

If you are currently studying in Australia and wish to renew your membership with your provider by yourself, you must provide a copy of your health fund membership records showing your name, membership number, OSHC provider and date of expiry. You should be aware of the benefits/coverage you purchase if you make your own arrangements.

TAFE NSW receives a commission from the health insurance provider for processing your OSHC payment.

7 INFORMATION REGARDING A DISABILITY (SECTION 10 OF THE APPLICATION)

If you have a disability, relevant information is requested to establish whether you require the provision of additional services or facilities not required by students who do not have a disability.

After consideration of your requirements, if the provision of these services or facilities would impose “unjustifiable hardship”, for example, a very high cost on TAFE NSW, your enrolment may be refused or additional fees may apply. You will be advised in writing of our decision.

The provision of additional services or facilities should not be seen as a guarantee of successful completion of a course. TAFE NSW reserves the right to terminate a student’s enrolment if the provision of reasonable adjustment is unsuccessful and further provision of services or facilities is determined as unjustifiable hardship.

5 TAFE NSW ENGLISH LANGUAGE COURSE FEES AND REFUNDS

I. Payment of Fees

New students must pay the application fee, English language tuition fee (as applicable) and Overseas Health Cover (OSHCH) for the length of the visa by the due date stated in the letter of offer. This must be paid prior to the start of the course.

II. Transfer of Fees

If you complete your English course at TAFE NSW earlier than expected and there is a further general English course available at the centre, any remaining fees will be applied to the new course. If you enrol immediately in a TAFE NSW vocational course, the remainder of your paid English tuition fees will be transferred to the TAFE NSW course.

If you are accepted into a TAFE NSW course before you complete your English course, we will transfer to that course the remainder of your paid fees as at the end of the English course session/term in which you are enrolled at the time of transfer. No fees will be transferred to other institutions or persons.

III. Refund Procedures

Applications for refunds must be made in writing and must contain the eCoE form, receipt for course fees and certified copies of any supporting documentation. Applications for refund can be found on our website: www.studyintafe.edu.au

No refund will be paid to a third party unless the student indicates the name, address and bank account details of the person to whom the refund should be paid. If these details are not provided, the refund will be sent to the student’s address as indicated in Part 1 of the application form or the refund form.

IV. Refund Policy for TAFE NSW English Language Courses

A $100 processing fee applies to all refunds except when a student visa is refused.

Course fee refunds are calculated from the date a written refund application is received only, on the following basis:

- The English Language Centre will refund 100 percent of the English language course fee paid if your application for a visa to study in Australia is rejected.
- The English Language Centre will refund 100 percent of the English language course fee paid if the course you have enrolled in is cancelled by TAFE NSW.
- The English Language Centre will refund 90 percent of the English language course fee paid if you withdraw from the course 4 weeks (28 days) or more before the commencement date of the course of study.
- The English Language Centre will refund 80 percent of the English language course fee paid if you withdraw within the final 4 weeks (28 days) before the commencement date of the course of study.
- There will be no course fee refund on or after the commencement date of the course of study.
- You must not enrol in any other course while your application for a refund is being processed.

For visa conditions please refer to: http://www.immi.gov.au/students/visa-conditions.htm

There is no refund for days designated as Australian/NSW public holidays.

The processing fee, application fee, accommodation placement fee (including guardianship arrangement) and airport pick-up fee are not refundable.

4 TRANSFERS

I. Transfer to a TAFE NSW Higher Education Course

TAFE NSW will transfer the tuition fees from your vocational course to a TAFE NSW Higher Education course if you withdraw from the vocational course and enrol in the TAFE NSW Higher Education course within 14 days after the semester commencement.

II. Transfer between TAFE NSW Higher Education Colleges for Higher Education or TAFE NSW Institutes for Vocational Courses

Once an eCoE has been issued to you, you must remain enrolled in the Higher Education or vocational course for at least one semester at the TAFE NSW Institute stated in your offer of enrolment. An application for a change of college before completion of one semester will be approved only in exceptional circumstances.

11 DISCLAIMER
TAFE NSW does not represent or guarantee that the student will:
> Be accepted for enrolment at a specific TAFE NSW college
> Successfully complete studies undertaken
> Gain entry into further tertiary studies.
TAFE NSW accepts no liability for any unexpected interruption in services through events such as staff strikes, electrical failure, floods and other similar events and which causes a cancellation of classes. Fee refunds will not be provided for classes missed due to such events.

12 COMPLAINTS PROCEDURE
The complaints procedure contained in these terms and conditions of enrolment is available to a student in the event of a grievance in relation to a claimed refund. However, this agreement and the availability of complaints and appeals processes does not remove the student’s right to take further action under Australia’s consumer protection laws or pursue other legal remedies.
> If the student has a complaint about the services provided by the TAFE NSW Institutes or DEC International Students, attempts should be made to resolve the problem with relevant staff before lodging a written complaint.
> Full details of the complaints procedure is available at www.studyintafe.edu.au
> So far as possible relevant complaints will be handled upon the same basis as complaints from a student or parent ordinarily resident in NSW.

13 BREACH OF TERMS AND CONDITIONS
Any breach of terms and conditions may result in the termination of the student’s enrolment and may affect the student’s visa.

14 DEC/TAFE NSW DECLARATION
Personal information you supply and consent to being contacted about is to be used by the NSW Department of Education and Communities (DEC/TAFE NSW) in connection with an application for a student to study in NSW. Provision of information is voluntary but, if not provided, the application may be hindered.
