Course description
Students will gain a broad range of skills and knowledge in this hands-on course that will provide the building blocks for entry-level employment within the metal and engineering industry.

Using a range of machinery and technology to produce and maintain equipment and products to standards, students learn to work safely and effectively in a manufacturing environment.

Locations
Ballina
Casino
Coffs Harbour
CHEC
Grafton
Great Lakes
Kempsey
Kingscliff
Lismore
Macksville
Maclean
Murwillumbah
Port Macquarie
Taree
Wauchope
Wollongbar
Flexible/Online

Career opportunities
Sheetmetal worker, welder, metal fabrication apprentice. Further study can lead to higher level careers in engineering.

Pattern of study
2 units x 1 year (120 hour), 2 units x 2 years (240 hour), 4 units x 1 year (240 hour), plus specialisation courses

HSC exam
Yes – optional (at completion of 240 hour course)

Qualification
Certificate I in Engineering (MEM10105) and/or transcript of competencies achieved

Pathway
Advanced standing in higher level qualifications within the Metal and Engineering Training Package (MEM05)

Note
1 unit (60 hour) or 2 unit (120 hour) specialisation courses available. Work placement mandatory – 35 hours per 2 units of study. This is a category B course.

Contributes to ATAR: yes / no
Applying for a TVET course is easy.
Follow these simple steps to get started:

1. Students and parents should read the 2017 TVET guide for high school students. While reading, it’s a good idea to think about what the student is interested in and careers they may like to start learning about. It’s important that the right TVET courses are chosen and the student gets the most out of their TVET experience. The 2017 TVET Guide is located on our website northcoasttafe.edu.au

2. Students, parents and Careers Advisors should discuss potential options, pathways and a selection of courses that meet the student’s needs and goals.

3. Fill in the 2017 Expression of Interest (EOI) form. The EOI form can be downloaded from northcoasttafe.edu.au or provided by the school’s VET Coordinator or Careers Advisor. The EOI form should be signed by the student, parent or guardian and the school principal. TVET course codes must be included on the EOI form. They are found on the local course insert available from the VET Coordinator or Careers Advisor.

4. Submit the 2017 TVET Expression of Interest form to the school’s Careers Advisor before the closing date of 16 September 2016.

DISCLAIMER While every attempt has been made to ensure information contained in this guide was correct at the time of printing (April 2016), it can change and you should check the TVET section of our website for the latest information. Course commencement is subject to sufficient resources and demand. For the most up-to-date information on course content, attendance modes, fees, concessions, refunds and exemptions, recognition of prior learning and credit transfer options, student support services including literacy and numeracy support and welfare services, student rights and responsibilities, appeals and complaints process and Department of Education and Communities Code of Conduct visit the North Coast TAFE website or phone your local Schools Account Manager.
